Brisk Solar Inc. is proud to be working with **Chris J. Ellom** and **Smile Africa International**. Both companies will work together addressing the Solar needs of under privileged individuals and deprived villages in all areas in Africa through our specially designed "**Turn On The Light**" Campaign for Sustainable Villages. Many Mothers and Grandparents raising children as single parents have no electricity. This is the type of campaign that **Brisk Solar Inc.** and Smile Africa will promote and move forward together.

Chris J. Ellom
Founder of Smile Africa International

Chris J. Ellom is the president of **Smile Africa International**, an organization that specializes in investing in literacy and education, and the proper use of technology to enhance development in Africa. Chris has been with Smile Africa since 1996 and is responsible for overseeing all of its operations. This includes strategic development, finance and public relations. Additionally, Chris acts as a liaison for the board of directors and implements various projects through his Canadian office in Kelowna, BC.

Born and formally educated in Ghana, West Africa, Chris is as adept in public speaking as he is versed in African development issues. He is equally dynamic in his community as a member of the Kiwanis High Noon Club, and has developed impressive business and political contacts in Africa and the world.
